Kristin Halvorson is a Board Certified Behavior Analyst and the Assistant Director of Client Services for Family Recruited Employees, School Age Services, and Therapeutic Services at Imagine! Ms. Halvorson has spent 9 years at Imagine! helping to re-build the behavioral department and streamline processes for other departments to increase compliance and performance. Ms. Halvorson is an ACE (Authorized Continuing Education) provider under the Behavior Analyst Certification Board and provides continuing education courses and other trainings to employees on ABA principles, burnout, the importance of feedback, and more. Ms. Halvorson has a background in Organizational Behavior Management and uses that experience to support employees and the departments that provide services to individuals with I/DD. Ms. Halvorson is currently working on her dissertation for her doctorate and has a passion for supporting employees in the field of I/DD.
