

# Thank You for ENDING MY WAIT

for comprehensive services

## Meet Missy:

- I live in Northglenn in my very own apartment with my 2 cats.
- I was on the wait list for my whole life.
- I used to live with my mom, step-father, older sister, and my sister's two boys. It was a hectic environment and several people smoked. I wanted my independence.
- One of my personal goals was to get a license. I just got a learner's permit! And I start driving classes soon!

“Comprehensive services are important for us because we aren't like everyone else, we need help getting through the fine print so we can get the things we need.”

-Missy
