

Thank You for ENDING MY WAIT

for comprehensive services

Meet John:

- I currently live in Northglenn with my brother, sister-in-law, and my little dog.
- I have been waiting for comprehensive services a long time, I do not know when I was put on the waiting list.
- I got comprehensive services in March 2016.
- My family can now get paid to care for me and I get to live with my family caregivers.

“I am able to go to the doctor, have vision checks, dental care, and attend a great day program. I am healthy, my mind engaged, my life enriched by all who care for me.”

-John
