Hello Alliance Members,

It was wonderful to see many of you during the Alliance Board Meeting this morning. As promised, I wanted to share an [End of Session report for your review](#). It includes an overview of key budget and policy priorities for Alliance, as well as a general description of the legislative session and the '23-24 state budget.

Also, I want to thank you for all of your guidance and support during the 2023 legislative session, especially your incredible GRACE Committee and Alliance staff and leadership who put in tons of hours to make this work possible. I am always amazed at the passion and knowledge Alliance brings to this important work. I think we should all be proud of the critical investments made this year for folks with IDD and the agencies that support them! Your engagement matters!

I hope to see you all soon at Alliance's big 50th Anniversary event in June!

Take care,  
Emma
