

Thank You for ENDING MY WAIT

for comprehensive services

Meet Asriela:

- I live in Montrose in a host home.
- Recently, I have learned things like how to work efficiently and good sleep hygiene.
- I have also gone out to the post office to learn about how to mail packages and how mail works.
- I would like to learn how to care for and communicate with children, learn how to ride a bike, learn how to sew, learn how to drive, and get a job.”

“I’m independent and get to do the things normal people do, like go to the store to pay for groceries and pay for personal items. I also get to eat the things I want.”

-Asriela
