

Candace Bailey, Director, HCBS Division

Candace Bailey is the HCBS Division Director within the Office of Community Living and is responsible for developing, implementing, and administering benefit policy for home and community based services and Long term home health and private duty nursing for the department. The Office of Community Living administers Long Term Services and Supports benefits for people with physical, intellectual and developmental disabilities. This includes long-term services and supports for people living in their home and community to services provided by nursing facilities. Candace has extensive experience in HCBS programs, policy development, benefit oversight, and program implementation.

Candace has worked for the State of Colorado for over twelve years, holding both non-management and management positions throughout her tenure. She has also worked as a waiver manager and case manager previously.
