

Thank You for ENDING MY WAIT

for comprehensive services

Meet Tyler:

- I live in Littleton, Colorado USA.
- My mom is able to be my full-time provider. Before my mom I had constant turnover of caregivers.
- I waited for 6 years for comprehensive services.
- I suffer from autism and extreme anxiety and sensory processing issues.
- My family can now meet my needs and get me the services I need.

“Me and my family are beyond grateful for the comp/DD Waiver. It saddens me to see so many disabled adults in need of support. Disabled adults should be prioritized and valued as human beings who need our support.”

- Tyler
