

**Yasmin Gardner, Director, Operations and Administration Division**

Yasmin Gardner is the Director of the Operations and Administration Division within the Office of Community Living and serves the role of operationalizing policy, financial oversight and monitoring of subrecipients and vendors and general business operations for the office. The Office of Community Living administers Long Term Services and Supports benefits for people with physical, intellectual and developmental disabilities. This includes long-term services and supports for people living in their home and community to services provided by nursing facilities. Yasmin has extensive experience in implementing program operations, contract management, financial management, subrecipients monitoring and oversight, strategic planning and business process development.

Yasmin has worked for the State of Colorado for over twenty five years, holding both non-management and management positions throughout her tenure. She has also worked as a contract manager, financial and quality reviewer, Quality and Risk Management Manager, Finance Section Manager and in a leadership role providing management, oversight and direction for government operations, contracts, financing mechanisms, systems implementation and business process development.
