

# END MY WAIT

for comprehensive services

## END THE WAIT for Austin

- I currently live in Woodland Park with my mom. She stays home to support me.
- My parents heard about the wait list when I was young but didn't put me on the list until two years ago when I learned more about the DD waiver.
- Why can't I live on my own? If I had more resources, I would be able to live a full life in the community.
- A Personal Goal of mine is to experience my community, work a job in the community, and to make friends.

“I have autism and I am bipolar. I want my family to feel safe and I need services to help us.”

-Austin
