

Dr. David Kalis, Ph.D., LCSW

Dr. Kalis has a Ph.D. in Clinical Psychology, a Master's Degree in Social Work, and has conducted numerous seminars and trainings for employers, agencies, federal and state governments, and educators who work with individuals with disabilities. Dr. Kalis has practiced in many settings including residential facilities, mental health hospitals, outpatient clinics, and community mental health centers. He has worked with elementary, secondary, and post-secondary schools, universities, and students. He has experience as an expert witness in court and has provided court-ordered evaluations and treatment. His professional interests include family dynamics, developmental and learning disabilities, mental illness, and diagnostic and evaluative procedures for individuals with hidden disabilities. Dr. Kalis consults with multiple agencies including the federal government regarding developing the workforce and organizational culture.
