

END OUR WAIT

for comprehensive services

END THE WAIT for Mark and Tim

- We live in Jefferson County with our mom who stays at home to take care of us.
- We've been waiting for comprehensive services for about 9 years.
- We want to do things with our family but we also want more control of how that happens.
- We've been told that our parents would have to die before we come off the wait list. That is absurd!

“There are challenges with brothers living together as adults. We have not been able to have the normal life progression of living in a more independent setting due to lack of resources, which the DD waiver could resolve.”

-Mark and Tim

The Time Has Come to END THE WAIT!!!
