

Thank You for ENDING MY WAIT

for comprehensive services

Meet Emily:

- I currently live in Colorado Springs.
- I waited 16 years for comprehensive services!
- I live at home with my mother who is a Family Caregiver.
- If something happened to my parents, I now have the resources to live my life securely.
- I have wanted to go to New Orleans for 9 years and now it will be possible! I love history...there's a haunted history show on the Myrtle plantation I want to experience!

“Finally having these resources have help my retired parents with their income and it has allowed me a chance to start living my life! ”

-Emily
