

**Company Name:** Public Partnerships LLC

**Representative First and Last Name:** Amanda Lighthiser

**Title:** Director Organic Growth

**Email:** [alighthiser@pplfirst.com](mailto:alighthiser@pplfirst.com)

Amanda has over 20 years of experience working with individuals with disabilities. She is a licensed clinical social worker focused on positively influencing the Long-Term Care Medicaid system. Amanda has over 10 years in leadership positions in government, non-profit case management agencies, and now working at the nation's largest Financial Management Services entity, PPL. She is passionate about ensuring people have the ability to make informed choices about self-directed services and that services are accessible to everyone. She thrives on collaboration and finds great joy working with others to create positive change.
