

END MY WAIT

for comprehensive services

END THE WAIT for Graham

- I currently live in Colorado Springs with my mom.
- I've been waiting for comprehensive disability services for 14 years.
- Graham wants to have someone to help him with his train scenes and models. There's a lot of things his mom doesn't know how to do for him in his train room.

“Services available through the DD waiver, pre-vocational, anything to give my life more personal independence and meaning, would be good for me.”

-Graham

The Time Has Come to END THE WAIT!!!
