

# END MY WAIT

for comprehensive services

## END THE WAIT for Ross

- I currently live in Centennial with my mom, dad & brother.
- I've been waiting for comprehensive disability services since 2008.
- It is exhausting for my aging parents to be my primary social group. It is very expensive to pay for things that waiver funds don't cover and, therefore, I can't participate, which is unfair.
- Ross would like to work one day and to live independently.

“My parents face a lack of respite. Extra funding would allow them to create a more complete life for me where I could have richer experiences with other people.”

-Ross
