

Thank You for ENDING MY WAIT

for comprehensive services

Meet Ashleigh:

- I currently live in Steamboat Springs.
- I waited for 14 years for comprehensive services!
- Now I live in a group home.
- I got to move out of my parents' house and have my own life.
- It has been a big adjustment, but now I have new friends, a job, and I stay active at Day Program. I'm a lot happier now.

"I understand what a "typical life" can be like. My younger sister was living a "normal life," but I didn't have that while I was still living with my mom and dad at the age of 26. This affected me a lot in a negative way. It is very important to have people with DD treated like everybody else and allow us to as normal a life as possible."

-Ashleigh
