

Thank You for ENDING MY WAIT

for comprehensive services

Meet Jaran:

- I currently live in a host home in Thornton.
- When my adopted dad moved to Florida, I stayed in Colorado. I lived on the streets, used drugs, and had health problems.
- Now I work as a janitor and have a place to live!
- I want to eventually live on my own. Having this resource has given me a place to live while I work towards that goal and a job so I can support myself.

“I was in a bad place before I got this resource and it has helped me a lot. Other people like me should have the same help if they need it.”

-Jaran
