Adult IDD Case Management Program Manager - A & I Avenues

eschroeder@aiavenues.org

Erika is the Adult IDD CM Program Manager at A & I Avenues. She has her Master of Education and has been working with people with disabilities since 2009, including family members. She has worked with people with IDD in the Colorado front range since 2012 and held roles in adult day programs and mental health agencies and provided respite and behavior counseling services for all ages through local provider agencies. She has worked in case management for the last 5+ years and while she misses direct care, she enjoys problem solving and navigating ways to make case management work functional for the case managers and members in services.
