

END MY WAIT

for comprehensive services

END THE WAIT for Julianne

- I currently live in Craig with my mom and dad.
- I've been waiting for comprehensive disability services for 14 years.
- My parents are getting older and their health is a concern. If something were to happen to them, it would be devastating.
- A Personal Goal: I would like to achieve good health.

“If I were in a group home setting, I could have a life of my own. I could do things and go places. My brother wouldn't have to be in charge of everything.”

-Julianne

The Time Has Come to END THE WAIT!!!
