

# Thank You for ENDING MY WAIT

for comprehensive services

## Meet Tom:

- My name is Tom and I am 32 years old. I would like for Colorado's leaders to END THE WAIT. I was on the waitlist for 16 years. I live in Arvada.
- The Comprehensive waiver has changed my life! For years I needed behavioral therapy to help me with habits that were hindering my independence, but my mom couldn't afford it. Now, I'm able to work with an excellent behavior therapist who has helped me overcome my stumbling blocks.
- My life is easier now because I'm not as frustrated or upset anymore. Life is more peaceful and productive at home, at my day program, and in the community. The more I work with my therapist the more independent I am becoming!

**"I AM WORRIED ABOUT MANY OF MY FRIENDS, THOUGH!! They have been waiting many years, and I think they deserve the waiver so that they can become more independent, too!"**

-Tom

**The Time Has Come to END THE WAIT!!!**
