

## Brittani Trujillo

Brittani Trujillo is the Manager for the Entry Point and Case Management Section with the Colorado Department of Health Care Policy & Financing, Colorado's State Medicaid Agency. In this position, Brittani oversees entry point and case management activities across the state, which includes policies and operations for these functions. She has been the lead for all work related to Conflict-Free Case Management, ensuring the same agency is not providing both case management and direct services for the same individual. Prior to her current role, she supervised the Long-Term Care Eligibility unit at a county for two years, after transitioning from supervising a Single Entry Point agency. Brittani has worked in the long-term services and supports field for over 15 years and has extensive knowledge and experience in entry point, assessment, and case management for Home and Community-Based Services (HCBS) waivers. Brittani holds a Master of Business Administration, with a focus in Change Management, a Master of Arts in Community Counseling, and a Bachelor of Arts in Psychology.
