

# Thank You for ENDING MY WAIT

for comprehensive services

## Meet Cindy:

- I currently live in Glenwood Springs.
- I waited for 5 years for comprehensive services!
- I now live in a host home.
- I am now a professional weaver and I work in a thrift store. I participate in Special Olympics, bowling, and track and field, and I am on the basketball team that won first place in state last year!
- This year I moved into a host home and am learning to do more things on my own. I love to cook and clean, and am always busy doing fun things with my new friends. I finally got to go to my first concert and even took a trip to Hawaii.

"I have really enjoyed starting my new life. I am so happy in my new host home. I am able to walk, take the bus, ride my bike, and have made so many new friends."

-Cindy
