

END MY WAIT

for comprehensive services

END THE WAIT for Carol

- I currently live in Pueblo.
- I've been waiting for comprehensive disability services for six months.
- I fall a lot and cannot get up on my own. My partner cared for me before he passed away and helped me take my medications.
- Gaining back my independence is important to me.

“There should be no waiting list for people because I could've gotten help sooner. Ending the waitlist would help people before it's too late.”

-Carol

The Time Has Come to END THE WAIT!!!
