

END MY WAIT

for comprehensive services

END THE WAIT for Terra

- I live with my parents in Jefferson County but they need to move out of state. I want to stay in Colorado.
- I've been waiting for comprehensive disability services for 10 years.
- With the DD waiver I could have supported employment and residential services.
- A Personal Goal: I want to become more independent.

“Comprehensive services would give me the security, stability and opportunity to live my life to the fullest and give my family peace of mind.”

-Terra
