

Thank You for ENDING MY WAIT

for comprehensive services

Meet Kelsey:

- I currently live in Glenwood Springs.
- I waited for 4 years for comprehensive services!
- I now live in a group home.
- My grandmother had a difficult time caring for me and now I am living in a group home with friends and wonderful staff support. When I get anxious or depressed, my new friends and staff are quick to pick me up.
- It was always my dream to live in Glenwood Springs, where I can be around people my own age, participate in activities every day, hold a job that I love, and spend time with my boyfriend!

“When I was living with my grandmother I was very depressed. Now that I live in Glenwood I am so much happier and have the freedom to make my own decisions about what I do and who I see. Staff help me every day with certain needs, but I am still encouraged to be as independent as possible.” - Kelsey
