

# END MY WAIT

for comprehensive services

## END THE WAIT for Hannah

- I live in Canon City with my mom, dad, and younger brother.
- I am 23 years old and I've been waiting for comprehensive disability services for 10 years.
- I'm shy and most comfortable with familiarity and routine.
- A Personal Goal: I would like to volunteer at the local animal shelter.

“My brother helped with my supervision but he has now started college. My mom has had to cut back her hours at work to help care for me. That has stretched the family financially.”

-Hannah
