

# Thank You for ENDING MY WAIT

for comprehensive services

## Meet Jean Marie:

- I currently live in Ft. Collins.
- I waited 28 years before receiving comprehensive services
- After living in a nursing home setting for ten years, I got community-based services in July 2018.
- I now live in a host home with a peer housemate and I love it!
- My dream was to see Rascal Flatts. My provider took me to see them for my birthday and I sat in the front row and got to sing on stage. I'm now part of a concert special on TV!

“Before living with my current provider I had very little choice and there wasn’t enough staff to help. Now I choose nearly every aspect of my day. What I eat, who I interact with, and what activities I participates in.”

-Jean Marie
