

END MY WAIT

for comprehensive services

END THE WAIT for Paul

- I'm 44 and I live in Lakewood with my sister.
- I'm happy to be on the Supported Living Services waiver but I need so much more support.
- I'm an actor, a black belt in taekwondo, and a kick boxer.
- A Personal Goal: I dream of living independently and to do more things I love.

“I was living independently with some supports, but they were not enough and too expensive. I developed health issues and had to move in with my sister.”

-Paul
