

END MY WAIT

for comprehensive services

END THE WAIT for Brennan

- I currently live in Centennial with my parents.
- I've been waiting for comprehensive disability services since July 2007.
- I love being with my friends and people who help me succeed.
- A Personal Goal: I want to live successfully independent of my parents, to be cared for by people who know my needs, to be safe, loved, and happy.

“I could have roommates and live with my friends in my own place. I could be more independent! My parents would not have to be my 100% caregivers.”

-Brennan

The Time Has Come to END THE WAIT!!!
